Mark Newman,

Good morning!

As a resident of the Waterview Subdivision, I am writing to inform you and your fellow City Council Members that I am not in favor of Karl Shilling's proposal for rezoning Lot 21 in the Waterview Subdivision. I agree with Richard Lenser's statement dated December 26, 2024.

Furthermore, Karl Shilling has not held up to his commitments in this subdivision let alone start a new subdivision that most certainly lead to more water issues.

Sincerely,

Margie Mason
