Attention:
Kate Kroll, Office Manager
City of La Crosse Parks, Recreation, & Forestry

To the City of La Crosse,

On behalf of the Board of Directors and Girl Scouts of Wisconsin–Badgerland, I am writing to express our support for the transfer of 2710 Quarry Road to the City of La Crosse, and for the opportunity to repurpose the building in a way that benefits the community.

We are grateful for the many years we called this location home. The facility served as an important foundation for delivering Girl Scout programming and creating meaningful experiences for girls in the La Crosse area. We also appreciate the City’s longstanding commitment to youth, demonstrated through the \$1 annual lease for the use of the land on which our building was located since 1980.

While this transition marks the conclusion of our use of the facility, it does not change our commitment to the La Crosse community. Girl Scouts of Wisconsin–Badgerland will continue to serve youth in the region by providing leadership opportunities, mentorship, and experiences that foster confidence and belonging.

We view the transfer of the building to the City as an opportunity to give back to a community that has supported Girl Scouts for many years. We look forward to working cooperatively with the City to execute a mutually agreeable arrangement that advances shared community interests.

Thank you for your continued support of Girl Scouts.

Respectfully,

A handwritten signature in black ink that reads "Lisa R. Smith".
