Sondra, please see response below, I am not sure how to proceed... if BPW can review and approve with these split dates?

Marion –

Our insurance policy is currently in renewal with our broker and the same insurance will be renewed on July 1<sup>st</sup>, 2023.

We are planning on flying thru July 4<sup>th</sup> and will have the insurance policy with the new dates to you before we fly on July 2<sup>nd</sup>.

If the city would like direct information from our broker about insurance renewal dates I am more than happy to put them in contact with our insurance broker.

I have reached out to our broker to see how quickly we can get the COI done once it is renewed.
