Dear Council Members,

I hope this message finds you well. As a resident of La Crosse, I wanted to share my thoughts on agenda item 24-1437, the resolution to sell 626 Monitor Street to Property Logic III. I urge you to reconsider this proposal and vote NO.

The North Side deserves thoughtful, impactful development. The Fire House Commons project stands out as a proposal that not only supports local small businesses but also fosters a sense of community and shared purpose. It represents a vision that prioritizes long-term benefits for residents and aligns with La Crosse's commitment to sustainable growth.

I believe we should focus on projects that truly reflect the needs and potential of the area. The Fire House Commons proposal has the ability to bring real, positive change to the North Side and deserves careful consideration over other options.

Thank you for your time and for listening to the voices of our community.

Sincerely,
Pam Anibas
La Crosse Resident
