Dear Council Members,

I'm writing in support of the rezoning proposal for the REACH Center. Providing dental services for those who cannot afford traditional dental services fills a very important human need. As far as I know, dental services are not being provided at St. Clare Health Mission or other places. Where to house unsheltered people can be argued endlessly but providing health related services should be a "no brainer."

Thank you for your efforts in this matter.

Sincerely,
Thomas M. Link
