Good afternoon,

In addition to the comments provided by the County Surveyor, please see review comments, below and attached, from the City Engineering Department.

1. To further comment on County comment number 2, it might be best to remove from the map entirely, the north line of Government Lot 1 and noted corner in the Black River.
2. Consider depicting centerline if it will not result in additional “clutter.”
3. In regards to County comment number 4, also add the area in sq. ft. of the outlot to be dedicated.
4. Please add the word “dedicated” to the Corporate Owners Certificate of Dedication, first sentence, to read “...surveyed, divided, mapped and dedicated...”

Feel free to reach out with any questions or comments.

Thank you,

Kyle Coman

Good morning Sondra,

The proposed Causeway Boulevard CSM has been reviewed. See comments below.

1. The caption on all four pages, along with the opening statement in the legal description states “located in the Northwest ¼ of the Northeast ¼”. That statement is incorrect. There is no Northwest ¼ of the Northeast ¼ in Section 31. It is only Government Lot 1 as per the Original Government Plat Sheet (below). I realize that the plat of River Point District indicates that it is part of the Northwest ¼ of the Northeast ¼, but that is simply not true. Register of Deeds, Robin Kadrmas indicates that she only has tracting for Government Lot 1 in this area.
2. Please consider relabeling the north section line from the “NORTH LINE OF THE NE ¼ SECTION 31-16-7” to the “NORTH LINE OF GOVERNMENT LOT 1, SECTION 31-16-7.”

3. Please consider a different Outlot label for Outlot 7. There will likely be confusion over Outlot 7 of the River Point Plat and Outlot 7 of the Certified Survey Map. We can avoid that by designating the parcel with an Outlot number not part of the plat of River Point – perhaps Outlot 107.
4. Please label the unidentified Outlot that is east of the current Outlot 7.
5. Please change the labeling of Outlot 6 River Point District to Lot 10 River Point District II, which is the most current adjacent plat name and lot number.
6. Please label Lot 10 River Point District II with the current owner.
7. Please verify the 2" iron pipe symbols on the map. The plat of River Point District II indicates these monuments as 2.375" O.D., 18" Long, WT. = 3.65 LBS./LBS. LIN. FT. Iron Pipe Set.
8. Please consider labeling the existing building that is located in Bemel's Industrial Addition, Block 1 Lot 7.
9. Feel free to remove the word "NO." in the Certified Survey Map caption as this is no longer required by the La Crosse County Register of Deeds.

Feel free to contact me with any questions you may have.

Thank you,

Dale
