Dear Council Members, As a co-owner of Signature Lawn Care and a proud La Crosse resident, I'm writing to express my strong support for the Fire House Commons proposal and to urge you to vote no on agenda item 24-1437. Our family-run business is working hard to grow and serve the La Crosse community, but finding affordable and accessible shop space has been an uphill battle. A project like Fire House Commons would provide small businesses like ours with a real opportunity to expand and thrive. It's a space where entrepreneurs can come together and contribute to the growth and care of our city. Office space, on the other hand, doesn't meet this critical need. Fire House Commons is the right choice for La Crosse, and I hope you'll consider the long-term benefits it will bring to the North Side and beyond. Thank you for taking the time to consider this.

Sincerely, Lyndon Byus La Crosse Resident and Co-Owner, Signature Lawn Care
