Summary/Purpose

The purpose of this resolution is to adopt the City of La Crosse's 2024 Bicycle and Pedestrian Master Plan so the Planning, Development, and Assessment Department and the Bicycle and Pedestrian Advisory Committee can begin implementation.

Background

The 2024 Bicycle and Pedestrian Master Plan is an update to the 2012 Bicycle and Pedestrian Master Plan. Funds were designated to the plan in 2022 after receiving a Transportation Alternatives Program grant from the Wisconsin Department of Transportation to update the plan. The Bicycle and Pedestrian Advisory Committee selected a consultant and the planning process began in September 2023. After a yearlong process, the plan is complete and ready for implementation. The 2024 Bicycle and Pedestrian Plan supports the Green Complete Streets Ordinance with a focus on access, safety, climate, equity, and action.

Fiscal Impact

None - any fiscal impact will occur through implementation of specific strategies and actions that will require separate fiscal allocation and approval.
