Subject: SUPPORT for REUSE of South Community Library Building at 1307 16th Street South

Dear Ms. Elsen,

I'm writing to support for reuse of the South Community Library building, rather than its demolition. The cost of building materials and new construction, as well as the ecological impact of demolishing usable structures instead of repairing them, should be considered.

As a neighborhood resident, I'd like to see a community-friendly commercial project or another socially-responsible organization or business re-use or refurbish this space.

Sincerely,
Heather Walder
