I'm sending this with my thoughts for each option:

Mt. Calvary daycare: Good option. With Mt. Calvary school right across street, perfect place. Parents could drop kids off at both places in 1 shot; daycare kids would know what future school looks like and not be so nervous about grade school.

Spies Construction (Residential): - Don't select. Plenty of new housing, renovations being completed.

Girl Scouts: Good selection. Centrally located for them and easy access.

Tostrud & Temp office (to be owned by Matt & Mindy Durtsche): Don't select. Other office spaces in town would be fine for them.

Scenic Bluffs Community Health Center: Best choice. Having worked in the dental field, i know it is very difficult for people on Badgercare or with low income concerns to find a general dentist that accepts Badgercare. Scenic Bluffs is good as it would widen options for the patients; currently they have a long waiting list for treatment and their office is not centrally located like library is.

Willow Grove Residential: Don't select. There are alot of new living spaces being built or renovated and the 16th and Farnam intersection is already busy.

Thank you!
