Council Members,

I am in firm support of the REACH rezoning petition. I think the investments and improvements that are outlined in the rezoning petition will be a great addition to this community.

While I can understand some concerns that a few of the residents from around the area of the REACH Center have, I do equate most of the comments in opposition to NIMBYism. I expect that you all, Council Members, will be able to see the benefits that this rezoning will bring and vote to approve it.

Thanks,
Andrew
