RE: Application for change of zoning for parcel 17-50280-120

Dear Application Reviewer(s),

As we apply for the zoning request, I want to give you a little context around the request. Currently we operate "Priya's Spice Bazaar" an Indian grocery store out of Coulee Region Business Center. We have been operating the store at CRBC for the last 3 years and want to expand the store and offerings. We are working with Gundersen to acquire the parcel to expand into this location. Currently the parcel has been vacant for several years.

Currently the parcel is zoned heavy industrial. This zoning will not allow us to set up a grocery store. Also as we work on the renovation of the existing building we are looking to add residential units over the existing structure. To be able to convert the room to mixed use commercial property we are requesting the zoning to be converted to commercial C1 to be in line with future use.

As we get more into the planning phase we will work with the planning and development department with design reviews.

Sincerely

For

Good afternoon,

A conditional use permit application was filed with the City Clerk's office on Thursday, April 4. I am reaching out because the legal description that was typed into the PDF form got cut short (see below). It looks like the last bit is missing – leaves off at "(recorded as 20.2".

Legal Description (must be a recordable legal description; see Requirements):

Part of the SE 1/4 of the NW 1/4 of Section 8, Township 15 North of Range 7 West, City County, Wisconsin, described as follows. Commencing at the West quarter corner of said 36" East 1,944.84 feet to the Easterly right-of-way of South Avenue and the point of beginning West along said Easterly right-of-way 204.21 feet (recorded as 217.1 feet); Thence East

Zoning District Classification: M1

I'm wondering if you have a digital version of the PDF that you could email to me so I can see the full legal description, or if you could type out the full legal description and email it to me, that would be perfect.
